Approval of TechInPro GmbH as an in-house inspection service

Based on an audit the 31st of January and the 1st of February 2023, where procedures, production facilities and corresponding documentation were reviewed, Force Certification A/S hereby appoint TechInPro GmbH as an in-house inspection service.

The approval is in accordance with the Danish Executive Order No. 289/2001 on transportable pressure equipment, from the competent Danish authority Arbejdstilsynet:

You are allowed to use our identification number 0200 at the periodic inspections of national Danish seamless steel and aluminium gas cylinders and acetylene cylinders with the following remarks/conditions:

- 1) The periodic inspections shall be made by your in-house inspection service (IS) in accordance with the above regulations and the submitted quality procedures.
- 2) Revisions of the procedures shall immediately be sent for our information/approval.
- 3) Only cylinders bearing our verification mark, the sp-crown in a circle, as shown in VA 009/20/00 Anlage 1 Dänemark und Aluminiumflaschen, shall be inspected under this approval.
- 4) Only inspections performed in the workshop in Wittstock (Am Weinberg 8) are for the time being covered by this approval.
- 5) Any appeals or complaints as result of the inspection under this approval shall be notified to us.
- 6) The approval is valid for 3 years from the date of issue. It can be repealed, e.g. if the conditions are not met, or if the regulations are changed.

With kind regards
FORCE Certification A/S
